Petition for Maximum Temperature in Schools

Following the extreme temperatures in the summer, there is a petition to support the implementation of a maximum temperature for schools, as well as funding to cool schools. Please do sign and share:

<https://petition.parliament.uk/petitions/774023>

School Attendance

Please do let us know by 8.30am if your child is going to be absent. We do need to record a reason so the office may call you if we do not receive a message. Thank you for your support.

Busy, Busy, Busy!

Every week is a busy week at Exeter House! We have very much enjoyed welcoming our new learners and seeing our new site at Wellington Lions in operation. Last week, the School Photographer visited Somerset Road, Pembroke Park and the Vocational Centre sites and will be going to Wellington Lions on 15th October. Please do check you have received the details on how to order these. We have seen some truly gorgeous photos!

Community trips are up and running with park trips, shopping, swimming and even the snooker club!

Last week, a group of our intrepid explorers set off on their Duke of Edinburgh, Bronze Award expedition which included an overnight camp out on our school field last night. Let's just say there were more than one or two weary walkers the next day...but they all successfully stayed for the night! The next group set off next week.

We simply could not provide these rich experiences for your young people without the dedication of our wonderful team, who not only give up a night's sleep but then do lots of walking. How lucky we are to have such amazing staff! 😊

School Values

Please check the next page for our reviewed school values, following input from staff, families and students. Please do read through them. We are really grateful for all the responses and feedback given last year that helped to create these.

EXETER HOUSE SCHOOL VALUES

Removing barriers. Creating opportunities. Shaping futures.

BELONGING

Nurturing safety, connection and kindness

INDEPENDENCE

Making choices, shaping futures

COMMUNICATION

Listening beyond words, understanding every voice

ACHIEVEMENT

Celebrating small steps, big breakthroughs

POSSIBILITY

Removing barriers, creating opportunities
